Henry E. (Gene) Kodama, State Forester

February 3, 2016

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for calendar year 2015. Two hundred sixty-four sites were closed out during the year, representing 14,836 harvested acres, 45.5 miles of forested streamside management zones, and the protection of 73.3 total miles of stream.

Five operations on four sites were found to be out of compliance with applicable BMPs, with one operation causing possible in-stream water quality impacts. On the 264 sites evaluated, 651 total categories were applicable. Six of those 651 were given an unacceptable rating. Overall, this results in a 98.1% compliance rate of those operations on which a BMP courtesy exam was conducted.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at hnicholson@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,

Herb Nicholson
Environmental Program Manager
