Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for calendar year 2018. BMP Foresters closed out 285 sites during the year, representing 17,417 harvested acres, 47.3 miles of forested streamside management zones, and the protection of 81.3 total miles of stream.

All of the sites were found to be in compliance with applicable BMPs. Of the sites reported, BMPs were properly applied by those responsible on 204 sites, BMP Foresters provided recommendations during the operation to assist with compliance on 67 sites, BMP Foresters noted deficiencies and requested additional action to achieve compliance on seven sites, and seven sites required remedial action or a return visit by the operator to bring the site into compliance. Overall, this results in a 100% compliance rate of those operations on which a BMP courtesy exam was conducted.

Please contact the appropriate BMP Forester or Tim Adams if you need further information concerning this report. Tim can be reached by phone at (803) 896-8802 or by email at tadams@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,

Holly Welch
Piedmont BMP Forester
