For additional information, contact: Allen Rabon (Forest Technician), or Brian Davis (Director) at Sand Hills State Forest, 16218 HWY 1, Patrick, SC 29584 Email: arabon@scfc.gov, bdavis@scfc.gov Telephone: (843) 498-6478.

Sale Requirements

A penalty will be assessed against the performance bond for any unsatisfactory performance, including but not limited to, failure to harvest, harvesting non-designated trees, and excessive or careless damage to residual trees. Violating the terms of a contract sale will result in a penalty against the performance bond and the BUYER will not be eligible to bid on South Carolina Forestry Commission sales for a minimum of one (1) year.

Should the BUYER desire an extension to this contract for any reason, an extension may be granted by the S.C. Forestry Commission for a maximum of six (6) months for an additional fee of five percent (5%) of the original sale price. The extension will take the form of an addendum to this contract, which will be signed by both parties.

The successful bidder must comply with the SC Illegal Immigration Reform Act, 2008. This is done by signing a form available at the headquarters office and may be signed on the day of bid opening. Proof of commercial liability insurance in the amount of one million dollars (\$1,000,000.00) and workers compensation insurance is necessary before a contract can be signed. Contractors shall follow OSHA safety regulations and shall comply with all federal, state, and local laws as well as EPA Worker Protection Standards and Migrant and Seasonal Workers Protection Act, if applicable.

Best Management Practices: All work must also adhere to the SCFC BMP standards (see SCFC BMP Manual). A mandatory courtesy BMP exam from the SCFC BMP Forester is required on this site. At least one responsible person on the logging crew must be a graduate of the South Carolina Timber Operations Professional Program, or equivalent program such as NC Pro Logger or GA Master Timber Harvester.

A pre-logging conference must be scheduled between the State Forest Director, the buyer, and a representative of the logger.

It will also be the buyer's / logger's responsibility to obtain all necessary state and local permits and permission from DOT and any other pertinent entities prior to utilizing any state or local highway / road (or any other) shoulder / right of way associated with this tract. The buyer will also be responsible for performing all road work necessary to ensure the safe operation of 18-wheel logging trucks.

Logging and hauling operations shall only be conducted between the hours of one (1) hour before official sunrise and one (1) hour after official sunset.
